Integration Process – Highlights (2/3)

magazineluiza

2012 was dedicated to **complete both integration processes**. **2013** is the first year that the company is fully integrated, beginning a cycle of gradual and consistent **profitability improvements**

Financial KPIs per channel – Dec. 2012

... These integrations had a short term impact at the company's profitability due to the store maturation process and extraordinary expenses. Therefore, in **2013**, first year of fully integrated operations, Magazine Luiza is **boosting efficiency, productivity and returns**.
